

Figure 1 shows a completed form for the 2014-2015 season. The form is divided into four main sections: '2014-2015 Season', '2015-2016 Season', '2016-2017 Season', and '2017-2018 Season'. Each section contains a grid for recording data across various categories (e.g., 1-10, 11-20, etc.) and a summary table at the bottom. The '2014-2015 Season' section is the most detailed, showing data for various categories and a summary table with columns for 'Total', '1-10', '11-20', '21-30', and '31-40'. The other seasons are partially filled or blank.
